The Boneshakers' rider will hopefully answer many questions you may have, but please feel free to contact Jenny Langer (agent) directly.

This rider lists our needs in an ideal situation, but we understand every venue and event is different, so please communicate any variations in advance and we will do our best to accommodate!

**Payments:** Due on site after final set by cash/check made payable to Randall Jacobs.

**Setup/Soundcheck:** A minimum of 90 minutes for setup and sound check is requested. Please communicate any "hard end times" to bandleader so he can plan end of performance accordingly.

**Dressing Room:** A green room (or any clean room) large enough to accommodate 6 people comfortably is kindly requested. Clothing rack and large mirror are ideal. Water, coffee, and assorted beverages (per hospitality rider) are greatly appreciated, and if you provide a trash can we will clean up after ourselves.

**Merchandise:** Artist requires a table near stage or audience entrance/exit for use to sell merchandise and present mailing list. Table to be in lit area or a desk lamp/clip light should be provided. Artist will provide merch salesperson if venue does not. Artist to retain 100% of all sales unless otherwise stipulated in performance contract.

**Outdoor Rider:** The Presenter understands that outdoor events, in particular those without alternate indoor facilities, are risky due to inclement weather conditions and that the Presenter is prepared to assume responsibility for the risks involved.

For protection of artist, their equipment, and event attendees, the Artist will not be obligated to perform on wet or damp surfaces or under conditions where precipitation poses a safety threat to the Artist, road crew, guests, or the Artist's equipment. Outdoor stages MUST be completely covered, rain or shine, unless expressly agreed to prior to contract signing. An outdoor stage must meet four requirements: Level, dry, covered, and a manmade surface.
